

Paper Hunter Synthetic Integrity Review Sample

Abstract: This generated paper contains controlled evidence signals for a safe demo.

Reference DOI examples: [doi:10.5555/paper-hunter.missing](https://doi.org/10.5555/paper-hunter.missing) and <https://doi.org/10.1038/s41586-024-08248-5>.

Figure 1B and Figure 4D intentionally reuse a near-identical synthetic image for reproducible detection.
